OFFICE OF THE RECORDER OF THE FACULTIES

STATEMENT OF MATRICULATION DEFICIENCY.

Mr. W. L. Finley:

You are hereby notified that you have matriculation deficiencies as follows:

SUBJECT	MARK	
6 c	—	
7a 4	—	
7b	—	
11	—	

EXPLANATION.—A minus sign signifies a condition; a cipher, a failure. Absence from a required examination is recorded as a failure in the subject.

JAMES SUTTON,
Recorder of the Faculties.

Extracts from the Joint Regulations of the Faculties of Letters and Sciences.

SECTION 51.—Entrance reëxaminations, for the removal of matriculation deficiencies, are held in January, during the three days preceding the beginning of instruction in the second half-year; and Freshmen with entrance conditions or failures are required to remove their deficiencies at that time.

SEC. 55.—Any student having a deficiency—whether it be an entrance or a college deficiency—remaining unremoved for more than one year will be put on probation, and restricted in his choice of studies to twelve hours a week until the deficiency shall have been removed.

SEC. 56.—An entrance deficiency in a subject continued in the University, in which the deficient student attains the rank of second grade may be removed by the proper Faculty on the recommendation of the officer of instruction in charge of the subject, with the approval of the head of the department.
