Dear Mrs. Finley:---

Referring to your favor of April 13th, I am enclosing herewith the five hundred mile book which you sent in with yours of April 1st. As this office can only make refunds on first class tickets, and as the ticket you enclose was issued at an excursion rate, we cannot honor your request for refund in this instance, much as we would like to do so. I am returning the ticket and receipt to you herewith, with the suggestion that you call at Mr. Graham's office personally, and explain the circumstances fully: if is possible that he may be able to do something for you in this regard. If not, advise us, and we will cancel the ticket and credit your account with three dollars.

Yours truly,

[Handwritten Signature]
THE EDITOR.
