Mr. Thomas Vaughan, Director
Oregon Historical Society
235 SW Market Street
Portland, Oregon 97201

Dear Tom:

Unfortunately, a small boy intervened between the camera lens and the corn stock so we have nothing but a boy on the film on that presentation.

We took a lot of shots but many are no good because of excessive light and shade or wrong views of people.

I am enclosing what I consider to be the best ones and, if you would like to have an enlargement of one or more of these, please send back indicating which ones and we will be glad to send back as soon as we can get the enlargements made.

Cordially,

Genevieve Morgan, Head
Information Service
State Dept. of Agriculture
