Numerical Symbolism -

Odd numbers belong to heaven -

Even numbers, to earth -

Heaven is 25;

Earth is 70.

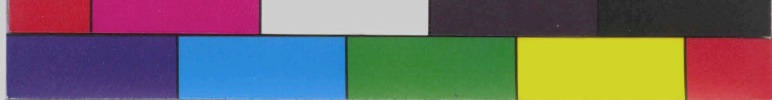

The united numbers of heaven & earth are 55.

Heaven has the no. 210.

Earth, the no. 216.

Four times 76 gives 144 $[76 \times 4 = 304]$

$76 \times 720 = 11320$.

Mathematical Symbolism

Let numbers belong to heaven

Even numbers to earth

Heaven is 25

Earth is 20

The united earth and heaven is 45

Heaven is 25

Earth is 20

Four times 25 is 100 [25 x 4 = 100]

25 x 20 = 500
