Dear Judge Latourette:-

I saw in the paper a few weeks ago where you were looking for places in Clackamas county of 100 yrs old or older in the same family. My place was a donation land claim taken out by John W. Palmateer my father. It was claim no. 52 taken up in 1853. It has been in our family every since taken up. Parts were sold off but still 44.70 acres are intact. If you would like any more information you can send me a letter or look in your tax books.

Hope this will give you the information you want.

Sincerely Yours.
