To Judge Rex Hartley
Marion County Court House
Salem, Oregon

This is to certify that I, Adolph Heater, remember my Grandfather, L. B. Heater. When I was a child he told me that he came here with his family in the Fall of 1852. He settled that same year on the property which has been recorded at the Marion County Court House as the L. B. Heater Donation Land Claim. This farm has been in the possession of the Heater family continuously since that time.

I and my wife own and make our home on 10 acres of this land. I have sufficient income from these acres to qualify for a century farm.

Yours truly,
A. B. Heater

This is to certify that I, Maurice Heater, own and reside with my wife and sons on ¹⁴⁰~~200~~ acres of the Heater Donation Land Claim described above. I farm this ground and have sufficient income from

it to qualify for a century farm.
Yours truly,

Maudie Neeter
