Dear Tom,

It gives me great pleasure to inform you that your **Century Farm** application has been approved. Congratulations on receiving this prestigious honor for the Ambrose Winn Farm, founded in 1898. A total of 23 farm and ranch owners submitted applications this year and *all* of them met the requirements for Century Farm status. This brings our grand total of Oregon Century Farms to 921 (recognized since 1958 when the program started).

Now that all 1998 applications have been reviewed, we can begin the process of creating the award certificates. These special documents, signed by Gov. Kitzhaber and dignitaries from the Oregon Historical Society, will be available in the late summer or fall.

To recognize your family's accomplishment, it's customary that the certificate be presented in a meaningful way. If you already have an event in mind—such as a special family reunion—please share that information with me so I can have your Century Farm certificate ready by that date (and attend if you wish). The Umatilla County Historical Society (276-0012) may be interested in hosting a certificate presentation ceremony, perhaps during a regular meeting or event, when you and other family members can officially receive your Century Farm certificate. These are just some of the options available to you.

If you are interested in sharing recognition of your honor, you may want to purchase a distinctive "CENTURY FARM" sign for your property. Please see the attached fact sheet for the details. The Oregon Historical Society *does not* sell these signs.

Thank you for participating in this popular, and important, heritage program. If you have any questions about the Century Farm Program, please feel free to call me at (503) 306-5215.

Sincerely,

Rick Read
Field Services Coordinator
