#### The Hiebenthals

#### Est. September 20, 1912

August Hiebenthal, with his wife Frieda, purchased 296.25 acres in the Perrydale community on September 20, 1912, for \$9,850.00. The property included rolling hills with half in open crop and pasture land and half in timber. The Hiebenthals were of German heritage and spoke the language in church and with their five children. Frieda was often called upon to help with the arrival of new babies in the community and August cut timber which was shipped to Portland. Picking the crops of cherries and prunes was a family affair each year. In 1928, August and Frieda retired and moved to Dallas and the property was divided among the children. They celebrated their Golden wedding anniversary in 1943 and August passed away in 1944, Frieda passed away in 1950.

The property located at 4355 Perrydale Road, Dallas, OR 97338, was inherited by son Joseph George and Helena G. Hiebenthal. They were married December 8, 1928, and had two sons, Wayne and David Hiebenthal. They lived on the home farm until 1952, when the house Joseph had built was moved down the 1.2 mile lane to be closer to the paved road and lived there until 1988, when they moved to town. They threshed grain, did custom farm work and picked crops. Joseph passed away November 7, 1992, and Helena passed away October 23, 2004. They were married 64 years.

David and Sharon Hiebenthal inherited the 105 acres in 1972. They picked cherries and prunes and raised Polled Hereford Cows with their three children. The property was partially customed farmed by a nephew for a number of years producing wheat and grass seed. They have been married 49 years and passed the property to their eldest son David Jr and his wife Kari in 2004.

David and Kari Hiebenthal with their sons Joseph and Joshua currently live on the 105 acres that Grandpa Joseph inherited. In 2005, they built their home and barn to raise their sons. They currently run 25 head of Polled Hereford Beef Cows, grow and bale their own hay for their herd and for purchasing. They have a small orchard and grow natural grass fed beef for customers. They clear sections of orchards, timber and pastures to improve the land as well as have built many new fences and repaired old ones. They continue with the Hiebenthal tradition of taking care of the land and improving it for the next generation. Joseph and Joshua are both active in 4-H and FFA, help their parents with the farming, cows and hay production and help Grandpa Hiebenthal with his custom farming operation.

It is a blessing and honor to carry on this farming tradition for our family to enjoy and pass to the next generation.
